

Information on data management

Privacy Policy

The personal data provided by you is managed by:

Company name: Loyal Drivers Kft.

Headquarters: 1117 Budapest, Váli utca 4. 4th floor, 3rd door

Tax number: 32719563-1-43

Company registration number: 01-09-439030

Registering court: Metropolitan Company Court of the Tribunal - hereinafter: Data Controller.

Please read our data management information carefully (hereinafter: Information), in which we describe our practice regarding the management of your personal data in accordance with the General Data Protection Regulation (GDPR, i.e. Regulation 2016/679 of the European Parliament and Council). This Notice applies to persons (you) who use the Data Controller's services as consumers. It shows how the Data Controller collects, uses and shares your personal data with third parties in certain cases, and also provides information about your "data subject" rights related to data management.

The Data Controller (Impresszum) is committed to protecting the personal data and privacy of individuals visiting this website. This information and declaration is primarily about the confidential management and protection of the personal data of customers and newsletter subscribers via the Internet, however, this also includes visitors to the site. We summarize how the owner can collect and use your data, and how they can use it. The data will not be transferred to unauthorized persons and will be used in the form specified in this information. In individual cases in the contracts, the purpose of the data management can be changed, which is done under the conditions stipulated in the given contract.

The information sheet provides you with important information about the protection of your personal data and your related rights. If the user does not accept these conditions, he has the right to suspend the use of the website and end browsing without providing personal data.

DATA CONTROLLER RESPONSIBILITY AND AVAILABILITY

Information about data management

In case of comments, questions or complaints regarding our data protection procedures, we can be reached at the following contact details: Loyal Drivers Kft., 1117 Budapest, Váli utca 4. 4th floor, 3rd door or write a info@loyaldrivers.com to e-mail address.

Data manager	Responsibilities
Loyal Drivers Kft., 1117 Budapest, Váli utca 4. 4th floor, 3rd door	All activities

According to your choice, you have the right to access our websites without providing your personal data, but for browsing it is essential to accept the cookie policy, and in the case of newsletter subscription, to approve the data protection information and statement. Personal data is all information that refers to a natural person who can be identified, indirectly or directly, by identification number or on the basis of related data. In the event that the Owner of the site collects your personal data, the data collection is done with transparent and confidential data management.

Your personal data is information that can be used to identify you, for example: surname, first name, nationality, telephone number, postal address, e-mail address. Your personal data is collected voluntarily by the owner when you browse the site, indicating in each case the data that must be provided to achieve the goal. If you do not wish to provide this data, you will not be able to access certain functions and services of the website. The collection of optional data is used to learn about user needs and to develop the website and services.

The Owner takes all measures to ensure that the personal data it manages are accurate and up-to-date.

The following personal data are processed:

- Surname, first name, company name and contact name (for a company)
- Head office address (in the case of a company), residential address, mailing address
- Email address
- Phone number
- System information (IP address, system version, resolution, statistics on the pages viewed on the website, browsing habits, behavior pattern)

Duration of data management:

- With regard to direct marketing contributions, until the user's consent is revoked
- In terms of profile data, 4 years from the last login
- With regard to purchase data, Account no. TV. Based on § 169, paragraph (2), 8 years

Data transfer conditions

The Data Controller may transfer the data it manages - to the extent necessary - to persons and companies designated by it operating in the following areas:

- Data processing
- Legal representation
- Bodies authorized to handle legal disputes by law
- Delivery
- Accounting
- Claims management
- Marketing

- Invoicing

Data processors

When shopping in an online store, the Data Controller (based on the delivery method indicated by the User) transfers the User's name, delivery address (in the case of a courier service, e-mail address and phone number - in order to coordinate the delivery date), as well as information about the product's purchase price to be collected (in some cases settled in advance) to the delivery company, for the purpose of delivering the product to the User.

Companies and persons involved in data processing or data management

The owner, Loyal Drivers Kft. manages the data. In addition to the owner, other companies are also involved in the management and storage of contractual customers' data.
